

# Facilities & Grounds

## Feedback from Workshop – 10.03.08

### Grounds:

1. Carry out an inspection of grounds and identify any problems or problem areas
2. Set up a sub-committee to consider and move forward the whole question of developing our grounds taking into consideration the wishes of our membership
3. Establish situation with regard to the Polo Grounds and Ruairí Óg CLG.
4. Develop top pitch to a better standard
5. Build a ball wall/shed
6. Find out costs and funding available for capital projects
7. Revamp both entrances to Pairc Mhuire
8. Confirm where deeds for complex are kept.
9. Check that we have proper insurance in terms of public liability etc
10. Confirm boundary limits
11. Check that Grounds' Committee have adequate tools and equipment to carry out their duties

### Public Facilities

1. Do public have access to adequate toilets?
2. Identify areas for safe parking.
3. Is there a club policy with regard to hire of pavilion hall and kitchen? How do we stand in terms of insurance?

### Pavilion

1. An inspection of pavilion both inside and outside to check for faults or problems

# Facilities & Grounds

2. Check that player and referee changing facilities are up to standard:
  - a. Showers
  - b. Toilets
  - c. First Aid
3. Agree duties of Pavilion sub-committee – what about kitchen? Do they need any tools or equipment etc?
4. Consider more wall displays and notice boards
5. Make better use of rooms that are cluttered up with junk at present

## **Environmental**

1. Develop a policy to ensure that Pairc Mhuire is a litter-free zone. Make sure there are adequate bins, gloves, bags etc available for clean-ups
2. Establish a policy for storage and emptying of bins
3. Investigate the possibility of better landscaping for certain parts of the grounds
