

## ***Ruairí Óg Policy on the Purchase of Hurls***

1. All players who wish to purchase a hurl at the subsidised price must buy it through the club and pay in full on receipt of the hurl.
2. A hurl may be reserved, paid for and then collected later.
3. Only playing members may buy hurls at subsidised prices
4. Any player who is found guilty of selling a subsidised hurl to a member of another club will pay full price for any other hurls he purchases thereafter.
5. A player who buys directly from any hurl manufacturer must pay the full amount himself as the club cannot accept responsibility for anyone and everyone collecting hurls and marking them down to Ruairí Óg CLG.

### **Subsidised Prices**

Senior	£10
Minor (U18) & U16	£8
